Rug Number M1801

Description

Title Antique Irish Donegal Rug
Soft of an Irish Oshak with a slate blue ground displaying a repeat of semi-geometric buds and flowers along with sawtooth medallions. Unlike other Donegals, there is nothing Celtic about this unique carpet. The palette is a variant on blue and white, but not oriental. The narrow borders just barely constrain the dynamic field which pushes underneath in all directions. The spacious layout makes the carpet seem larger than it is.

Size 6ft 00in X 14ft 11in
